ACE — 我们是谁 WHO ARE WE?

Ace取名于网球运动中直接得分的发球“ACE球”，是球员追求把速度、落点和战术完美融合后的一流好球。我们运营活动的核心价值理念正是追求卓越，造就一流，为客户创造价值，用专业的服务与有生命力的会议内容打造每一个高品质的会议活动。

公司在香港和上海两地运营，目前专注于新能源（储能、光伏、风能、电池、绿色汽车、智能汽车、能源互联网）和管理运营创新（供应链管理、物流、共享服务中心、新零售新电商、智能制造）两个行业板块

Ace comes from the "ACE" in tennis where the server can directly score from it. As a good serve, an ACE exemplifies the excellent techniques of tennis players pursuing a perfect combination of serving speed, accuracy of placement and tennis tactics. This is exactly in line with our core values - striving for excellence, providing first-class offerings and dedicated to creating values for our customers. We are a quality conference organizer committed to delivering professional services to the industry by producing programs bursting with vitality.

The company operates in both HK and Shanghai, specializes in two industry sectors, New Energy and Management & Operation Innovations. The former includes Energy Storage, PV, Wind Power, Batteries, Green Vehicle, Smart Vehicle and Internet of Energy, while the latter features Supply Chain Management, Logistics, Shared Services Center, New Retail New Ecommerce and Intelligent Manufacturing.
